

WELCOME TO KINDERGARTEN

In Kindergarten, our children become proficient in all areas of academics, grow in life skills, and receive a strong biblical foundation. We provide a structured, nurturing atmosphere in which students can flourish.

Our curriculum strengths include a reading program that utilizes a true phonics-based system. Students will learn to read words, sentences, and paragraphs as well as write words, sentences, and paragraphs with our modified ABEKA Kindergarten curriculum. Every week, students can read aloud from their assigned reader set one-on-one with the teacher. Weekly spelling tests support their efforts to become better readers.

Our program offers all math concepts devoid of common core ideology; math skills that concentrate on gathering data and graphing; addition and subtraction; counting, writing, and recognizing numbers 0-100; counting by fives and tens; and counting money.

Additional components to our Kindergarten Program include geography and map skills, Bible verse memorization, telling of time, science, social studies, and many unit-related activities and projects.

Most importantly, our students will learn the truths of God's word and how to apply them to their daily lives. In a Christian setting, children are nurtured and challenged to become lifelong learners by loving, dedicated teachers and staff.

In addition, we offer the following:

- ✓ **Music and Library – biweekly**
- ✓ **PE - weekly**
- ✓ **Chapel – weekly**
- ✓ **French class – weekly**
- ✓ **Daily recess**
- ✓ **Holiday Parties**
- ✓ **On-site field trips (we bring fun to our students without leaving campus)**
- ✓ **Spelling Bee**
- ✓ **Kindergarten Graduation Parade and Ceremony**
- ✓ **A healthy teacher-student ratio for optimal learning**
